President's Message

Special thanks to our committee pancake breakfast chairs, Darlene and Kathy! Without their leadership and organization, the event would not be possible. Our hope and dream is to make this fundraiser bigger and better than last year. Great appreciation also goes to our gentlemen of the club who have spent endless hours on the "wood project". Dave has kept this alive and we appreciate it. I also want to appreciate and thank John and Al who are tireless and always present with the club set up each and every week. What would we do without them?! To all of you who work hard and show your enthusiasm, I thank you! It is simply a joy to be with you weekly!

"You give but little when you give of your possessions. It is when you give of yourself that you truly give." -Kahlil Gibran

Student of the Month

Henna Park

Henna is a junior at Kamiak High School and a member of the Key Club. As a Key Club member, she is commended for her selfless desire to help others and serve her community. The Key Club's motto is "Caring-Our Way of Life." Through activities in home, school and community, Henna and her fellow Key Club members have proven that their organization is built around the concept of caring.

Some of Henna's volunteer services include tutoring and teacher assistant. She was an active volunteer at the Kiwanis Salmon Bake and participates yearly at the Lighthouse Festival. She was one of the outstanding helpers at Christmas House, part of a record turnout of Key Club volunteers. Henna is the Committee Chair for both the volunteers at Children's Hospital and Club Homecoming Committee and is active as a UNISEF contributor. As a result of their dedication, Henna and her Key Club associates have earned a solid reputation with the community as courteous, helpful and outstanding young citizens.

Henna's academic achievements include a 3.96 GPA, boasting a Class Standing of 21 in a class size of 505. She has 11 Honors Classes YTD and 16 projected by graduation. As result of her high academic performance, she is a member of the National Honor Society, recipient of the Lamp of Knowledge Award, Kamiak Student of the Month and Johns Hopkins University Center for Talented Youth Student Award. Her school life includes participation in the math team, debate and orchestra receiving exceptional praise for her many talents. Brian Steves, Director of Bands and Orchestra, praised his pupil stating;

"A fine violinist & pianist, member of the first violin section for Symphony 1. She has served as orchestra officer, studies privately and is a warm, thoughtful young lady who writes wonderful, reflective music journals."

Our honored guest is not only a model of scholastic excellence; she also competes in the highly physical and mental sport of Taekwondo. She holds a 1st Degree Black Belt and was awarded the Lightning Federation medal.

Harbour Point Middle School Builders Club

CLUB IS OFFICIAL

Officers Elected

Advisors: Kirsten Lewis, Vanessa Small and Darlene Conklé

Club meets Wednesdays, at 3:10 PM.

DID YOU KNOW...

Builders Club is the largest service organization for middle school students (ages 12 to 14), with more than 40,000 members worldwide.

The first Builders Club was chartered in 1975. Today, there are more than 2,000 clubs in Aruba, Australia, Bahamas, Barbados, Bermuda, Canada, Italy, Jamaica, Korea, Martinique, Netherlands Antilles, Philippines, Suriname, Trinidad & Tobago, and the United States.

Builders Club is a "student-led" community service organization, which operates under school regulations and draws its members from the student body. Community-based Builders Clubs also may be established at community facilities such as: churches, libraries, YMCA's, or lodges. Builders Club is unique because a Kiwanis club, composed of leading business and professional people of the community, serves as the club's sponsor. Builders Club is structured only on the local club level but is supported by the Kiwanis International Office in Indianapolis, Indiana, which provides programs, literature, and opportunities to relate to teenagers from countries all around the world!

Need to do a Make-up Meeting?

You can go to any other Kiwanis Club's meeting (see Div. 21 clubs below or go to the Kiwanis International website - www.kiwanis.org - to find a Kiwanis Club anywhere in the world), attend a Key Club, Builders Club, or another sponsored youth club's meeting, participate in a club project (two maximum each month can count for make-ups), attend a Division, District or International meeting or event, attend a Club Board meeting, or attend a Club Committee meeting.
