General Aviation Day a successful fund raiser First Year!

Thanks to all for putting this fund raiser together at the last minute. It was worthwhile for a first attempt. We grossed \$1,800 and netted \$1,200. We sold 500 hot dogs and sausages during the 3 ½ hours serving period. We could have sold more! The attendance for GA doubled from last year about 4,200 visitors.

STUDENT OF THE MONTH – SAM KIM

The Kiwanis Club of Mukilteo is pleased to present the **Kiwanis Student of the Month Award** to Sam Kim. Sam is a perfect example of the type of young person the Key Club attracts to advance their goals. Although Sam is just completing his first year in high school, he is already receiving accolades for accomplishments in and out of school.

Sam's community service includes assisting young Builder Club students, tutoring, and youth advisor with a Mukilteo youth group to name just a few. His main interest is involved with *Multiple Sclerosis*. He named his personal project "*Step 4 Cure*" from which he collects funds and donates it to the National Multiple Sclerosis Society. Sam's good work was featured in the April 15th edition of the Mukilteo Beacon. I have entered the newspaper story as exhibit #1 showing **Sam's** generosity and servant's heart and I am happy to share it with you. The article, written by Rebecca Carr, Editor of the Beacon, starts with the headline;" **Kamiak student joins the fight against MS."**

Sam holds a 3.95 GPA with a class standing of #2 in a class size of 554. His School Honors and/or Awards include the Presidential Education Award, the Presidential Fitness Award, IB Award and Governors Reading Award.

Sam's school life includes participation in multiple activities listed in alphabetical order:

- Conflict Mediator
- Cross Country
- Debate Team
- Marching Band
- Spanish Club
- Track & Field

• Kamiak teachers shared their thoughts about our honored guest:

- Laura A Beckner - Spanish:

Sam is always considerate, polite and kind. Sam is helpful to students and staff alike. I have never heard nor seen Sam participate in any negativity towards others. Sam is also involved in Spanish Club and attends regularly.

- Rebekah R, Baldrige - Advanced Geometry:

Sam is a hard working student. He always displays a positive attitude towards both life and learning. He is very community minded. He is also passionate about educating the public about multiple sclerosis and recently organized a fund raiser for MS.

- Marci Bowker - English I Honors

Sam is such a diligent student. In an honors course, Sam has not backed down to the academic challenge; he keeps striving to better his abilities. As the year goes on, I am also getting to see glimpses of the humor that balances out Sam's personality and makes him such a great part of our community. What a well rounded individual!

MAY Service Project

Work project postponed - new date
TBA in October

Here are some great ways of dealing with the burdens of life:

- Accept that some days you're the pigeon, and some days you're the statue.
- Always keep your words soft and sweet, just in case you have to eat them.
- Always read stuff that will make you look good if you die in the middle of it.
- Drive carefully. It's not only cars that can be recalled by their Maker.
- If you can't be kind, at least have the decency to be vague.
- If you lend someone \$20 and never see that person again, it was probably worth it.

BOARD HIGHLIGHTS

Motion, made seconded and carried to approve:

- **Cory Armstrong/Hoss as a member. We now have 42 members**

Other Business:

- **Camp Killoqua postponed until October**
- **Community Garden Proposal – Members feedback requested**

In 2009, a group of our Mukilteo residents, some who are Master Gardeners, organized the Mukilteo Community Garden Association to create a teaching garden that would provide opportunities for individuals and families to learn about good gardening practices, and to provide an opportunity to grow food for themselves and for the Mukilteo Food Bank. The City of Mukilteo partnered with Mukilteo Community Garden including allowing use of the City Property for the Garden, providing water connection and electricity.

It is envisioned that our Club would be a visible promoter of the garden, a source of individual volunteers and a contributor to at least one annual service project at or for the Garden.

Their request is for the Mukilteo Kiwanis Club adopt the Mukilteo Community Garden as a three-year service project. The commitment would involve club participation with other community groups, volunteers and the Mukilteo Community Garden non-profit organization in establishing and maintaining a Community Garden.

The Club would commit to:

- Appointing a Kiwanis Community Gardens Committee Chairperson
- Maintaining a liaison with the Mukilteo Community Gardens organization
- Informing Club members and Key and Builder Club advisors of opportunities to work at the garden
- Organize an annual club wide, work party at the garden
- Considering grants for garden improvements (Club budget permitting).

Birthdays are good for you.

The more you have, the longer you live.
