

**AUGUST/SEPTEMBER NEWSLETTER
DIVISION 22—PNW KIWANIS**

Division Council September 23—The final council meeting will be hosted by Snohomish Tillicum and will be at Hill Park on Blackman Lake. Tillicums will furnish burgers and dogs along with coffee while others should bring a covered dish for a good old fashioned “pot luck” type of meal. We’ll eat at 6:00 or as soon as you can get there and then have a little fun and recognize some outstanding events and individual contributions. Hopefully all of you have received the flyer that Sonia Rahm so graciously put together and sent to each club. It’s been a great year with much to reflect on. Hopefully Mother Nature will be in a good mood.

2004-2005 Dues—District office (Cleve) has just sent out information regarding dues for next year, *still operating on the semi-annual billing schedule until October of 2005.*

Annual dues will be as follows:

International	\$ 42.00	District	31.00
Magazine	8.00	GRAND TOTAL	\$92.90
Insurance	11.90		

New member add fee will remain at \$30.00 (15 International and 15 District). Dollar amounts are U.S. Divide by 2 to get your semi-annual cost for budget preparation. All dues must be must be paid to International who will then reimburse the District. Must be in by October 10. Check your roster carefully and make requested changes, particularly addresses and e-mail addresses. Give me a call if you have additional questions.

Round Robin Award—A reminder to those clubs that have earned their Round Robin banner patch award this year. The application needs to be signed by the Lt. Gov. before it can be submitted to District. Bring your applications to the Division Council meeting on the 23rd and I’ll complete this task.

Outreach—Those clubs that want the OUTREACH banner patch by contributing to the PNW Foundation can still earn both this year’s and last year’s patches for the sum of \$250. Check your “Builder” or contact me for further information.

Shirley’s Recovery—Everyone has probably heard of Edmonds Seniors secretary Shirley Elliot’s automobile accident by this bulletin. However, I am glad I can report that after some corrective surgery to her knee she is well on her road to recovery. Some “rehab” will be required but her spirit is great and she is ready to resume her energetic routine.

Governor’s Project—Earlier in the summer I had asked for each club to report in writing their club’s projects related to “Reading, Books and Literacy” to me so I could put together a division report for the Governor. This has been a successful activity for our division and one I would like to share with her, as I feel it is a project in which she can take great pride. Unfortunately, only two clubs have submitted a summary of their year’s activity related to your efforts. There are lots of donated books and dictionaries,

mentoring, computer purchases, etc., to report about so help me out with this. Please include hours and dollar amounts if you can.

2004-2005 Club Officers—Division 22 has an outstanding group of officers to work with incoming Lt. Governor, Marybeth O’Leary. I would like to extend my best wishes and confidence in these individuals who stepped forward in the name of Kiwanis.

Edmond’s Seniors—Clayne Leitner, President; Shirley Elliot, Secretary; Billy Joe Roberts, Treasurer.

Edmonds Sno-King—Kimberly Fyfe, President; Duane Penning, Secretary; Ralph Wittmeyer, Treasurer.

Lynnwood—John Baker, President; Meg Ortiz, Secretary; Jeff Slater, Treasurer.

Monroe—Terry Simon, President; Jessica Peterson, Secretary; Ray Maxwell, Treasurer.

Snohomish—Patrick Chonzena, President, Jim MacMillan, Secretary; Dallas Van Dyke, Treasurer.

Snohomish Tillicum—Marilyn Jones, President; Stan Jones, Secretary; Wallace Walsh, Treasurer.

These officers and the elected board members of the respective clubs will be installed in ceremonies scheduled for the following dates. Monroe, Sept 25; Snohomish, Sept. 20; Snohomish Tillicum, Oct 2; Lynnwood, Sept. 20; Sno-King, Oct. 15; Edmonds Seniors, Sept 28. Contact individual clubs if you need more information regarding times and locations as some are still in question.

Budget and committee work for next year should be well underway. Many thanks to all of those who contribute to this task as it is very often difficult to do a good, comprehensive job. Also, each club should have an established committee to audit 2003-2004 financial records before next years officers take office.

Thanks again for all you do for your communities in the name of Kiwanis!
