Thank you to everyone who helped with the **Road Clean-up**. If you have any road cleanup vests or hats, please return them during a meeting, we are running low on safety outfits to hand out to those doing the work!

Our **Kiwanis Relay for Life Team** is sponsoring a **golf tournament** in May - check out page 6 for more information and a registration form. We are encouraging anyone from those with no golfing experience to pros, to come and try it out!

From the President . . .

April showers! With warm weather ahead, our spring and summer will be delightful. I predict a record attendance for our Camano Climb. I predict hungry fair goers in August. I predict a well attended District picnic at Char's this June. And I predict more Interclub activity. We won't have the icy roads as an excuse to not go visiting other clubs, therefore join an interclub at your earliest convenience.

Did you know that a certain club stole our songbooks at our last meeting? All in good fun! When Char and I visited their club, the president made such a to-do about guarding their bell and gavel that I lifted the nametag of M. Bell and we held it for ransom. Retaliation and recovery! Did you miss that? Many of our members were absent that day. It was such fun! Of course we have snowbirds and they are missed dearly, but ones who are not traveling are also missed. Is it important to have "perfect attendance"? No, but it is a way to keep informed. It is a way to get to know other members better. It is an opportunity feel more like a Kiwanian. Besides, you miss out on the FUN of Kiwanis when you aren't here. If you think that perfect attendance is unattainable, know that there are many ways to "make up" the meetings when you are out of town or sick.

April showers! Bring on the flowers of May!

Prez Pamela

GREETINGS FROM THE MEMBERSHIP COMMITTEE

I have been busy this month asking! Hoping to have a new member installed on the 30th of this month! All you have to do is ask!! When asked what Kiwanis is about here are a couple of ways for you to respond:

- (1) Kiwanis is a global organization of volunteers, dedicated to serving one child and one community at a time.
- (2) Kiwanis is the place for you if you:
 - * Believe children are the future
 - * Take pride in your community
 - * Want to reach out to those in need
 - * Enjoy meeting new people

All you have to do is ask!!!!!!!!!!!!!!

~ Char, membership chair

Did you know . . . ?

. . . that Skip-A-Meal is a chance for Kiwanis-family members to help children by missing breakfast, lunch, or dinner and contributing the meal's cost to the foundation instead. The Kiwanis International Foundation uses the money raised to fund grants that help children worldwide.

The next Skip-a-Meal week is April 23-29. Our club will have a special collection - "pass the hat" - during our April 27 meeting.

Sponsored Youth News

Heather reports that the K-kids are hard at work at Elger Bay Elementary deciding on what they want their end of the year project to be! For the next

couple weeks the students decided that we need a

school clean up. So, during their lunch recess they will be on garbage patrol around their school. Following the clean

up the K-kids want to plan an assembly for the end of the year to thank our teachers for all the hard work that they did this year at Elger Bay. This is a very motivated group of kids who have all worked diligently to accomplish their goals!

The Key Club will be attending their District Convention during the second week in April at the Double Tree Inn at Southcenter. The Key Club meets at the High School twice a month in the early morning on the 2nd and 4th Thursdays to confirm their plans.

Committee Reports

All members should plan to participate in at least one committee each year. If you don't see your name in the committee list in the left column of this page, choose one and let President Pamela know. This is your club, your help is needed to keep things running. We can do great things when we all work together!

The **Club Meeting** committee wants to remind everyone to check page 1 for their name beside a meeting date. This is the meeting where you are in charge of the program. If you need suggestions contact someone from that committee. Whenever a 5th meeting occurs during the month (next one is in June), instead of a speaker we will hold a white elephant auction to raise funds for our administrative account. Plan to bring a white elephant item and bid on your favorite items that others have brought.

Membership: Do you know someone who would make a good member of our club? Invite them!

The **Community Service** committee have been hard at work finishing up the CASA drive and preparing for the Relay for Life in June. The Relay for Life team will host a golf tournament at Camaloch Golf Course on May 21 to raise funds for the American Cancer Society. They are working on the flyer and registration forms now. An opportunity to volunteer at a Special Olympics sports event is coming up at the end of April go to the Special Olympics website for more info on volunteering: www.sowa.org.

The **Fund Raising** committee is gearing up for the Camano Climb on Sunday, May 7 - everyone will have a task to do that day, so be prepared!

Young Children Priority One committee is looking to help the Stanwood Coop Preschool with their new facility - providing help installing and possibly purchasing playground equipment - what a fun summer project!

The **Interclub** committee will be shooting for two a month again this year. Check the board during the regular meetings and sign up to attend. This is a great way to meet other Kiwanians & keep up on perfect attendance!

Comings and Goings

(continued from page 1)

and our own Char will return the following year as 2007-08 Lt. Governor. Our members attended several workshops, gathering new ideas to bring back to our club. Conferences and Conventions are a great chance to meet other Kiwanians, gather new ideas and catch some extra enthusiasm to bring back to our club. The International Convention is coming up in June in Quebec and the District convention is in August in Lincoln City, Oregon.

Registrations are already available on the International and District websites!

The **membership committee** has sent out a challenge for all members - see page 4!

Our **service project** collecting items for **CASA** continued clear through March by popular demand. CASA sincerely appreciated all the donations; they haven't had to buy food in several months and are now well prepared for kitten season!

Be on the look-out for Every Day Heros in Stanwood/Camano! Each month with the help of the local Police or Fire Departments, our club will choose an **Every Day Hero** to give a special framed award certificate and medal to.

The person (or persons) will be someone from the community who did something that makes them a hero in some measure, great or small. If you know of someone in our community who deserves nomination for this award, contact the EDH nominating committee.

See news about all **committees** on page 3.

Highlights of the March **Board Meeting** are on page 4.

Committee assignments are listed on page 3 - if you aren't on the list yet, pick a committee and get involved, it's not too late!

Save empty toilet paper rolls and paper towel rolls for a project that Glenda is doing for Relay for Life! Bring them to a meeting or deliver them to her directly whenever you get the chance. She needs lots of them!

A Young Children Priority One spotlight:

Every year in the US over 470,000 babies arrive too soon and in over half the cases, the cause is unknown. The March of Dimes is working to combat this silent crisis. The Sigmon family is participating in WalkAmerica on May 6 - contact Erika if you want to give a donation!

Another Great Recipe from Char's Kitchen ... *Strawberry Cheesecake Bars*

Enjoy!!!!!!!!!!

From Lt. Governor Char

March was a busy one for me! I went to all of our clubs, collecting something for our basket for the Zone conference. What a basket it turned out to be!! I also collected quilts and checks for Gov. Steve's Governor's project.

He had asked \$1,500 from each division to send one child to burn camp. We in Division 21 came up with almost \$3,200 to send 2 children to burn camp. Way to go division 21!!!!!!!!!!

Also we turned in 24 quilts, with more to come from the Marysville Kiwanis. I am so proud of our division! Remember the 30th is our division meeting at Marysville Library. Lake Stevens to have the guest speaker and Marysville to host.

June 24th is set for our Division Picnic at our home. I would like a great turn out as our own Gov. Steve will be attending.

You are great, because you care about our children and our community!

Is Life Just a Jar of Rocks?

One day an expert in time management was speaking to a group of business students and, to drive home a point, used an illustration those students will never forget. As he stood in front of the group of high-powered overachievers he said, "Okay, time for a quiz." Then he pulled out a one gallon, wide mouthed Mason jar and set it on the table in front of him.

Then he produced about a dozen fist-sized rocks and carefully placed them, one at a time, into the jar. When the jar was filled to the top and no more rocks would fit inside, he asked, "Is this jar full?"

Everyone in the class said, "Yes."

Then he said, "Really?" He reached under the table and pulled out a bucket of gravel. Then he dumped some gravel in and shook the jar causing pieces of gravel to work themselves down into the space between the big rocks. Then he asked the group once more, "Is the jar full?"

By this time the class was on to him. "Probably not," one of them answered. "Good!" he replied. He reached under the table and brought out a bucket of sand. He started dumping the sand in the jar and it went into all the spaces left between the rocks and the gravel. Once more he asked the question, "Is this jar full?"

"No!" the class shouted.

Once again he said, "Good." Then he grabbed a pitcher of water and began to pour it in until the jar was filled to the brim. Then he looked at the class and asked, "What is the point of this illustration?"

One eager beaver raised his hand and said, "The point is, no matter how full your schedule is, if you try really hard you can always fit some more things in it!"

"No," the speaker replied, "That's not the point. The truth this illustration teaches us is: If you don't put the big rocks in first, you'll never get them in at all." What are the 'big rocks' in your life? – Your children... Your wife or husband... Your loved ones... Your education... Your dreams... A worthy cause... Teaching or mentoring others... Your health... Your significant other...?

Remember to put these BIG ROCKS in first or you'll never get them in at all. If you sweat the little stuff (the gravel, the sand) then you'll fill your life with little things you worry about that don't really matter, and you'll never have the real quality time you need to spend on the big, important stuff (the big rocks). So, tonight, or in the morning, when you are reflecting on this short story, ask yourself this question: What are the 'big rocks' in my life? Then, put those in your jar first.
