PRESIDENT'S MESSAGE

Greetings Kiwanians,

As winter gasps its final, chilly breaths, we look to a season of renewal. Spring is my favorite time of year. As days get longer and the sun bursts forth, eager students look to graduation and, for most of us, planting begins.

We are not in Minnesota or Alaska, so perhaps "endure" is too strong a word for how we cope with winter. But, some would say that winter in Washington is the toll we pay for the best summers in the world. The months of gray have sent less hearty folk packing, back to California or Arizona, while others hunker down and trudge onward, sleeping a little more, eating a little more, and biding our time until one more winter is conquered.

In Kiwanis for the past few months, we have also done a hibernating of sorts. But as March brings us straight into the Pancake Breakfast, it's time for us to shake off the crusty cold of winter and do what we do best: come together to serve others.

The next 6-7 months are our busiest of the year, and I encourage you to help plant our field, to grow community. Consider flipping flapjacks at O.V., digging in the dirt at the Community Garden during Kiwanis One Day, or grilling burgers at Aviation Day.

Like the longed-for sun that's beginning to emerge, it's our time to shine bright.

See you on Tuesday,

Cory

February Student of the Month Angela Oh

Angela Oh is a senior at Kamiak High School. She has been a very active member of the Kamiak Key Club since her freshman year, and is this year's Vice President. Last year she served as Treasurer and was even honored by receiving the PNW Treasurer of the Month award. She has participated in nearly every activity that the Kamiak Key Club has taken on.

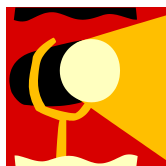

Angela's leadership transcends into the classroom as well. She has a 3.75 GPA and has taken 14 Honors/and or AP classes. Her efforts have earned her a class standing of 79 in a class of 527. She has also been a member of the National Honors society thanks to her outstanding academic performance. Angela has also received the AP Scholars Award for taking three AP tests and scoring a 4 or 5 on all three!

It's no wonder that Tabby Thompson, AP Biology teacher states, "I have had the wonderful opportunity to have Angela Oh as a student in my AP Biology class. She has currently earned an "A" 1st semester and has maintained such high standards though out the semester."

Bill Costello, AP English IV says, "Angela Oh is not only always prepared for Senior Advanced Placement English, but she enthusiastically engage in discussion and are focused and goal oriented when working in cooperative learning groups. She has an infectious smile, a keen intellect and real true grit. She is a wonderful Kiwanis Club selection."

Angela played both junior varsity and varsity tennis for Kamiak for two years. As a gifted musician she shares her talent to teach flute to four 5th grade students. She also volunteers at her church Milal center where she helps challenged children.

If you have a chance. stop by our local Baskin Robbins to extend your congratulations while iful smile.
